FAQ

HOW DO YOU PROTECT MY PHOTOS SAFETY?

I shoot your day using two cameras, both recording to two memory cards (that's four memory cards total!) and so does my second-shooter. Following your wedding, I upload them to my computer, an external hard-drive and a cloud-based system.

HOW LONG BEFORE I RECEIVE MY PHOTOS?

My turn-around time is 12 weeks, but you will receive plenty of sneak-peeks before then!
